Closing Remarks
Amy Lynch is Senior Vice President of Comcast’s Mountain West region, which serves more than 2 million residential customers and 154,000 business customers. In addition to overseeing more than 3,200 employees, Lynch is responsible for technical operations, engineering, business operations, marketing, external affairs, human resources, sales and the overall financial health of the Mountain West region.

Lynch has more than 21 years of experience in the telecommunications, media and technology industry and has been with Comcast for 16 years. She has been named to Cablefax Magazine’s Top 100 Regional Power Players list for the last eight years and was named one of the San Francisco Business Times’ Most Influential Women.

Lynch is an active member of Women in Technology International, Society of Cable Television Engineers and Women in Cable Telecommunications.
