ABOUT CEB TALENTNEURON

In November 2015, WANTED Analytics became a CEB company and is now a part of its TalentNeuron solution. CEB (NYSE: CEB) is a best practice insight and technology company that partners with its customers to develop innovative solutions that unlock their potential and help them grow.

CEB TalentNeuron provides you with the most comprehensive source of global talent demand and supply data, predictive analytics, insights into real-time job market and location data, and competitive intelligence to help you make informed recruiting and talent planning decisions. It provides recruiting organizations with real-time business intelligence on jobs, employers, and talent with data on hiring demand and talent supply data to create a true talent intelligence platform for hard-to-fill positions.

CEB TalentNeuron contains tools and insight that can help recruiters:

- Unlock hidden reserves of candidates for hard-to-fill positions,
- Reduce time-to-fill by streamlining the relationship with hiring managers,
- Analyze real-time employment trends, and
- Increase the strategic value of your department with on-demand access to company-level research that HR executives can use to gather valuable competitive intelligence on what your competition is doing.

For more information about how TalentNeuron helps organizations make better decisions, visit www.cebglobal.com/talentneuron.
